

Clinical Trials For Breast Cancer: Why Do We Need Them?

September 14, 2017

6:30—8:30 pm*

Armfield Auditorium, Cone Health Cancer Center, 2nd floor

2400 W. Friendly Avenue

Greensboro, NC

Dr. Gudena and Dr. Magrinat will discuss the importance of clinical trials for breast cancer, how they are conducted and who can participate. Also, hear first hand experiences from patients that have participated in a trial.
